WELCOME TO THOMAS MOBILE VETERINARY CLINIC!

Using a mobile veterinary clinic can be convenient and less stressful. Our goal is to provide the best, most-comprehensive care to your pet family members. A mobile veterinary clinic may be attractive to people whose pets do not like to travel, people who do not drive, people with busy schedules or small children, or people who prefer the one-on-one attention and care of a mobile veterinary clinic.

If this is your first visit with our mobile veterinary practice, we ask that you review the following important points.

- We strive to take the best care of your family pet members.
- Most procedures can easily be done on a house-call basis. Those that cannot will be referred to local specialists
- Because we are mobile and work on an appointment basis, we do not recommend that you rely on us for emergencies. For emergencies we recommend you call the Animal Emergency Clinic of Northeast Louisiana at (318)-410-0555
- We have a voice mail system for those times that we cannot immediately answer your call. Your call will be returned as soon as possible.
- We do work on an appointment basis. We ask for 24 hours notice of cancellation. Because we are on the road traveling from one appointment to the next, we may not be able to change your appointment with less than 24 hours notice.
- Appointments are scheduled with a 1 hour widow of time, to allow for unforeseen events and traffic delays.
- We cannot reschedule appointments made for surgeries and procedures requiring anesthesia. We ask that you be sure to schedule these at times that will work for you so that you will not need to reschedule. We reserve the right to bill you for this appointment time in the event the appointment is not kept.
- We can not disrupt the daily care of our patients to fax or phone prescriptions to on-line pharmacies. Written prescriptions can be obtained. This service is only available at the time that a patient is seen. You may obtain medications through the pharmacy on our website without a written prescription if the request is valid.

Thank you for entrusting us with the care of your pet. If you have any questions or comments, please call us at (318)-614-3050. You may also visit our web site at [www.thomasmobilevet.com](http://www.thomasmobilevet.com)
